Dear Mike

**Colinton Tunnel Project**

I write to commend you and your colleagues for the tremendous work you have put into establishing the Colinton Tunnel Project. I believe this to be an extremely important project, both in terms of our local history and for our current community.

Beyond preserving and extending the mural in the Tunnel, your work will positively enhance the local environment and aid the regeneration of the area.

This is an exciting project which captures the imagination and will be of much future benefit for the local area, hence why it is so widely supported locally. Please keep up the good work and I look forward to seeing the project progress.

Yours sincerely

Bailie Jason Rust
